

“PERFECT PASSAGE”

US97 / Whitcomb Ave Downtown Corridor Redevelopment Project

The goal is to redevelop the downtown corridor to better serve the citizens of Tonasket and businesses along Whitcomb Ave. by creating better public spaces for people to congregate, entice travelers to stop and shop in the City, spur private investment, create more business opportunities, and improve the local retail, commercial, and hospitality industry.

As a resident of the City or business owner along US97 / Whitcomb Ave through Tonasket you are invited to attend an OPEN HOUSE to present the current planning efforts to redevelop US97 / Whitcomb Ave through the City to include:

- Reduce seasonal flooding, improve storm water collection and treatment
- Replace aging underground utilities (water/sewer)
- Increase pedestrian access and safety, improve street lighting and add trees
- Increase parking and ADA accessibility
- Add enhancement to improve curb side appeal to entice travelers to “stop and shop”

When and where?

Tonasket City Hall, October 29th, 6 - 8 pm
